President's Corner

Dear Delta Sisters,

I am incredibly humbled, honored, and privileged to serve as the president for our distinguished chapter. Delta has had great leaders, and I sincerely hope that I can replicate that great leadership. More importantly, our chapter is composed of exceptional women educators, and together we will continue to move forward despite the circumstances.

Our year began with an excellent virtual Zoom meeting on August 22nd. We were given ideas and information to present to our chapter. The executive board also met via Zoom, and, well, here we are becoming Zoom experts! For now, our chapter meetings will also be held on Zoom. It will be interesting to see how we will function virtually. We will be working to form committees and hope you will offer your assistance and participation when asked to serve as a committee member.

I am excited about this year and thankful we are in it together. I wish you each a year filled with resilience, gratefulness, and perseverance!

Blessings to all.

Aída

TEXAS STATE ORGANIZATION: YOU ARE THE KEY

A MESSAGE FROM OUR PAST

PRESIDENT, LINDA RAMOS

Delta Sisters,

Greetings and best wishes to all of you. It has been a long time since we have met through no unforeseen fault of our own. With our last months having been whirled away because of the Coronavirus there was no time to normally close our year. We weren't able to induct our new officers or say our summer good-byes. The few months Delta met were memorable and productive thanks to the hard work and dedication of our members. Many of us attended the Area X Luncheon which we had no idea would be our last function as a chapter. As your past president, I want to thank each and all of you for your support and dedication. Our new members jumped in without hesitation, joining committees, taking part in projects and helping to make our 90th birthday celebration outstanding. Our long-time members were again our rock that have kept our chapter together and active throughout the years. It has been my pleasure and honor to have served as your president. These past three years of working with you were a joy and filled with many memorable experiences. We are lucky to have a slate of energetic, dedicated new officers. I know they will take this unbelievable challenge and keep Delta Chapter moving forward at a time when our steps are being limited. So, it is with much appreciation, respect, and love to all my Delta Sisters that I pass on the gavel to our new president, Aida Martinez, who I know will lead us to do great things these next two years. Good luck, God bless each of you and your families, and take care.

Linda
